the quartet

Jan Štolba Quartet has been active on the Prague jazz circuit since 2002. The quartet plays only original compositions written by the leader, Jan Štolba. Its repertoire ranges from energetic post-bop to dreamy ballads, but the quartet also ventures into more explorative off-beat stuff, twelve tone funk, "mittelleuropean" tango, insomniac afro-swing etc.

experience

The quartet consists of inventive soloists who, with various other formations, performed at festivals and clubs in Holland, Denmark, Sweden, Poland, Germany, Hungary, France, UK (Edinburgh, Brecon, Keswick, Bude) and also in the USA, Mexico, Australia, Japan and Senegal.
